

Object:

Pos.	Name	Technical data	Quantity
1	Well	PE, d1550	1
2	Service manhole	PE, d800	1
3	Cover, insulated	Al / PE / DI	1
4	Discharge pipe	DN50	set
5	Pump	H = m, Q = U/s	1 / 2
6	Inlet pipe	PE	from table
7	Switch key		No / 1 / 2 / 3
8	Ventilation pipe	PE	1
9	Ladder	AISI316	1
10	Pump pedestal	GGG	1 / 2
11	Check valve	GGG, DN50	1 / 2
12	Ball valve	Brass, DN50	1 / 2
13	Cable pipe	PE, d63	2
14	Guide rail	AISI304 / 316	set
15	Outlet pipe	PE, d63	1

PS height, H (max 4000 mm from ground level)

Inlet pipe		
H1	C	A

Notes:

1. Pump lifting chains (AISI316) are included.
2. If there is a difference between drawing and specification, then correct is specification.

The design, materials and specifications shown are subject to change without notice due to our continuing programme of product development
